ENGLAND IS

AWAITING YOU!

It's hard to know where to start, as England has truly become my second home. After living here for around five years, I've built a life filled with new friends, unforgettable experiences, and a deep connection to this place. While New Zealand will always hold the number one spot in my heart, the UK has carved out a special space of its own.

LONDON

TRAVEL TIP

Travel Insurance = Your Secret Superpower!

When flights vanish, luggage wanders, or your stomach rebels, this cape saves the day.
