APRIL 2025 - DESTINATION: GERMANY

Dear Adventurers,

I couldn't wait to explore Germany and its stunning array of cities and charming towns. From the moment I landed, I knew this was a place that would call me back time and time again.

Wandering through time

Germany's history isn't locked in textbooks — it's alive in every castle, cobblestone street, and city square! Every step you take uncovers a new chapter. The past is calling — and Germany's the place to answer

A taste of Germany Awaits

Germany's world-famous beer culture isn't just about the brew — it's about centuries-old tradition, charming beer gardens, and the warm, welcoming spirit of every pour. Whether you're strolling through Munich during Oktoberfest or savoring a crisp pilsner in a quiet village pub, every sip is a journey. Why not discover more - check out my latest German blog for details :)
